Our standard 3yr warranty is offered free of charge on every hardware purchase. From entry level parts to enterprise level systems and SAN architectures, the Great Lakes Computer Extended Warranty provides the security you need.

MSA 2000 SAN Storage Arrays

The HP StorageWorks 2000 Modular Smart Array Family (MSA2000) is a new generation of Fibre Channel, iSCSI and SAS storage arrays for SAN implementations specifically designed for entry-level customers, featuring the very latest in functionality and technology at highly affordable price points. It supports simultaneous accommodation of enterprise-class, dual-ported SAS drives and archival-class SATA drives.

Custom configured MSA2000 Storage Array
