

## Six Ways to Save Money on Your Network

### 1. Juniper Networks

Offering Juniper's new line of very affordable award winning switches, routers, SSL & VPN products. Plus, save huge on your support costs compared to Cisco Smartnet!

### 2. Unbiased (no-charge) Solutions

We'll recommend configuration alternatives that you won't get from the manufacturers but that will save you money.

### 3. Refurbished Cisco

Get unbelievable savings from our full line of refurbished, end-of-life and discontinued Cisco products.

### 4. Great Lakes Exclusive Warranty

A 3 Year Warranty is included on all of our Cisco products at no charge! Reduce lead-time even further with our Advance Replacement Warranty uplift.

### 5. Save up to 80%

On our line of 3rd party Cisco SFPs, memory and accessories, all with a lifetime warranty.

### 6. Cash Offers

Or trade in credit on your surplus or decommissioned Cisco equipment to lower your TCO.
